

San Bernardino National Association  
Fire Lookout Host Program  
602 Tippecanoe Ave.  
San Bernardino, Ca. 92408

#### Accomplishments: 2012

- Trained 75 new volunteers
- Retained 195 returning volunteers
- 270 trained volunteers that staff 7 fire lookouts
- 16,603 volunteers hours for the 2012 fire season
- 28 smoke checks (outside forest area), 32 smoke reports( inside forest area), 21 first reports (we were the first to report)347 lightning strikes
- Cajon Lookout will not be rebuilt
- Prospect Lookout was taken off Cajon peak and no one knows what happen to it in the Forest Service
- 5 out of 7 lookouts were staffed with volunteers every day during 2012 season
- Received \$1,600.00 for repairs on Butler Peak Lookout
- Received \$1,400.00 for repairs for Keller Peak Lookout
- Fire Lookout Host program was awarded the Volunteer Group of 2011
- Morton Peak is no longer able to be rented out

#### Plans for 2013:

- Advertise for perspective volunteers for 2013 fire season
- Train returning volunteers and perspective volunteers
- Repair and replace ceiling on Butler Peak Lookout
- Replace flooring on Butler Peak Lookout
- Install a composting toilet at Red Mountain Lookout
- Work on each lookout to bring them back up to the Morey's standard
- Work on permits to get Morton Peak back into a rental program
